

Curriculum vitae

1. Personal information

Name:	Lilla Török
Date of birth:	May 5. 1988.
Place of birth:	Esztergom, Hungary
Current position:	Research Fellow
E-mail:	torok.lilla@tf.hu

Lilla is a Hungarian researcher and sport psychologist. She is interested in the social psychological aspects of human performance (sport as well as academic achievement). More specifically, she is committed to have a deeper understanding of self-related processes, such as self-esteem, self-protection, self-handicapping and self-deception, and how these concepts connect to the way we think about ourselves and our characteristics. Her investigations aim to help students as well as athletes to feel and perform better in their fields. Lilla is also a track and field referee, who likes running, puddle surfing, skiing and reading in her free time.

2. Education

2006 - 2009	University of Pécs , Faculty of Humanities, Psychology ; Pécs
2012	University of Pécs, MA degree (Social and Organisational Psychology specialization)
2012 -	Semmelweis University/University of Physical Education, PhD student
2015	Semmelweis University/University of Physical Education, sport psychologist
2021	Doctor of Philosophy (PhD)

3. Languages

2004	English intermediate level language exam (TELC)
2012	Spanish intermediate level language exam (ECL)
	Latin knowledge at intermediate level

4. Scholarships, abroad experiences

2010-2011	Hungarian Republican Scholarship
2011 O.- 2012 M.	ERASMUS scholarship (working practice); Valencia , Spain
2014	Young Researcher Award , Alps-Adria Psychology Conference, Pécs, Hungary

5. Research interests

Self-handicapping
Implicit theory of ability
Self-zoo

Publications

2. Principal conference presentations and publications

- 2009 **Török, L.** (2009). Similarities between real and imagined motor movements among professional long jumpers. *START International Youth Scientific Conference*, Pécs, Magyarország.
